

**ASSIGNED**

**APPLICATION FOR PERMIT**

Serial No. 4418

**TO APPROPRIATE THE PUBLIC WATERS OF THE STATE OF NEVADA**

Date of first receipt and filing in State Engineer's office APR 30 1917  
Returned to applicant for correction \_\_\_\_\_  
Corrected application filed \_\_\_\_\_

The undersigned Hilma C. Kirkeby, as Administratrix of the  
Estate of S.O. Kirkeby, Deceased, Name of applicant.  
of Spring Valley, County of White Pine,  
State of Nevada, hereby makes application for  
permission to appropriate the public waters of the State of Nevada,  
as hereinafter stated. (If applicant is a corporation give date and  
place of incorporation.) \_\_\_\_\_

1. The source of the proposed appropriation is Williams Creek,  
Name of stream, lake, or other source.

2. The amount of water applied for is 0.8 second-feet.  
One second-foot equals 40 miners' inches.

3. The water to be used for Irrigation and Domestic purposes,  
Irrigation, power, mining, manufacturing, domestic, or other use.

4. The water is to be diverted from its source at the following  
point: This is an application for change in place of use of water for  
Describe as being within a 40-acre subdivision of public survey, or by course and distance to a section corner. If on unsurveyed land it should be so stated.  
80 acres of land as granted under permit No. 812. See supplemental sheet.

**IF THE WATER IS TO BE USED FOR IRRIGATION, SUPPLY THE FOLLOWING INFORMATION:**

(a) Number of acres to be irrigated is \_\_\_\_\_

(b) Description of land to be irrigated \_\_\_\_\_  
Describe by legal subdivision, or if on unsurveyed land it

should be so stated and a description provided in accordance with special instruction from the State Engineer when application is returned for correction.

(c) Irrigation will begin about \_\_\_\_\_ and end about \_\_\_\_\_  
Month.  
\_\_\_\_\_, of each year.  
Month.

**IF WATER IS TO BE USED FOR POWER, MINING, TRANSPORTATION, OR OTHER USE, SUPPLY THE FOLLOWING INFORMATION:**

(d) Power to be developed is \_\_\_\_\_ horsepower.

(e) Works to be located \_\_\_\_\_  
Give 40-acre subdivision on which works will be located, or locate by course and distance to a section corner.

(f) Point of return of water to stream \_\_\_\_\_  
Describe in same manner as point of diversion.

(g) Remarks \_\_\_\_\_

## DESCRIPTION OF PROPOSED WORKS

State manner in which water is to be diverted, whether by dam or other works, whether through pipes, ditches, flumes, or other conduits. If water

is to be stored in reservoirs it should be so stated and the location of the reservoir should be given with reference to the legal subdivisions.

5. Estimated cost of works \_\_\_\_\_
6. Estimated time required to construct works \_\_\_\_\_
7. Remarks \_\_\_\_\_

For use of applicant.

State Engineer.

Serial No. 4418.

APPROVAL OF STATE ENGINEER.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

This permit, to change the place of use of water granted under permit No. 812, is issued subject to all valid rights initiated prior to the filing of application No. 812. The State reserves the right to regulate the use of water under this proposed change at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water hereby changed shall be limited to the amount which can be applied to beneficial use, and not to exceed the allowance formerly granted under permit No. 812, namely, Four and <sup>eight</sup>~~two~~-tenths (4.8) cubic feet per second.

Actual construction work shall begin on or before May 1, 1918.

Proof of commencement of work shall be filed before June 1, 1918.

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1918.

Proof of completion of work shall be filed before June 1, 1918.

Application of water to beneficial use shall be made on or before May 1, 1920. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 1, 1920.

WITNESS MY HAND AND SEAL this 1st day of October, 1917.

SUPPLEMENTAL SHEET.

SERIAL NO. 4418

IN THE OFFICE OF THE STATE ENGINEER OF THE STATE OF NEVADA.

Application for permission to change the place of use of the waters  
of the State of Nevada.

IN THE MATTER OF

PERMIT NO. 812.

Date of first receipt and filing in State Engineer's Office APR 30 1917.

The undersigned, Hilma C. Kirkeby, as Administratrix of the estate of S.O. Kirkeby, Deceased, of Spring Valley, White Pine County, Nevada (post office address: Osceola, Nevada), hereby makes application to change the place of use of certain of the waters heretofore appropriated under and by virtue of Permit No. 812 issued by the State Engineer of the State of Nevada February 9, 1911, and to that end respectfully shows:

That Permit No. 812 was issued by the Honorable State Engineer of the State of Nevada February 9, 1911, to Jasper M. Fox and S.O. Kirkeby, the latter now deceased, said water under said permit to be used for irrigating the following described land:

The West half of the Northeast quarter, the east half of the Northwest quarter, the Northwest quarter of the Northwest quarter, the west half of the Southeast quarter, the east half of the Southwest quarter, of Section 13; the East half of the Southeast quarter of Section 11; and the Northwest quarter of the Southwest quarter of Section 13; all in T.12 N.R. 67 E., M.D.B. & M.

That by instrument dated the 22nd day of June, 1912, Jasper M. Fox, one of the permittees, transferred and conveyed his interest in and to said water right to S.O. Kirkeby, now deceased, and a certified copy of said instrument is herewith submitted for filing in the State Engineer's office;

That thereafter said S.O. Kirkeby died and on the 21st day of November, 1913, the undersigned was duly appointed Administratrix of the estate of said deceased, thereafter qualifying therein, and ever since has been and now is the duly appointed, qualified and acting Administratrix of the estate of said deceased;

And now applicant as such Administratrix asks for permission to change the place of use, excluding from the land to be irrigated by said water the following eighty-acre tract, to-wit:

The East half of the Southeast quarter of Section 11, and including in lieu thereof the Northeast quarter of the Southeast quarter of Section 13, and the Northeast quarter of the Northeast quarter of Section 14, all in T.12 N.R. 67 E., M.D.B. & M.; and applicant assigns as a reason for said change the fact that she finds that the eighty-acre tract now sought to be included within the description of the land to be irrigated to be of better quality and better susceptible of irrigation than the eighty-acre tract sought to be excluded from said description.

In all other respects the permit to remain in its present form.

Hilma C. Kirkeby, Applicant.

( As Administratrix of the  
Estate of S.O. Kirkeby, Deceased.)

Compared T.P. Jones.

Serial No. 4418.

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions. This permit, to change the place of use of water granted under permit No. 812, is issued subject to all valid rights initiated prior to the filing of application No. 812. The State reserves the right to regulate the use of water under this proposed change at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Four and two-tenths (4.2) cubic feet per second.

Actual construction work shall begin on or before May 1, 1918.

Proof of commencement of work shall be filed before June 1, 1918.

Work must be prosecuted with reasonable diligence and be completed on or before May 1, 1918.

Proof of completion of work shall be filed before June 1, 1918.

Application of water to beneficial use shall be made on or before May 1, 1920. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 1, 1920.
